PURPOSE

We are a ministry of men whose purpose is to provide A.I.D. to our pastors, churches, families, and within our communities.

- Assistance
- Intercession
- Deliverance and Development

PRIORITIES

A To help men in understanding their specific gifting and function within the Body of Christ so they are able to effectively provide assistance and support to their local church ministries.

I To organize and develop a structured network of men's intercessory and Prayer Command Centers.

D To provide deliverance and development support to men in their roles as husband, father, prayer warrior, steward, and friend/mentor to other men.

MEN THAT SERVE

Romans 8:24-39

The *Ministry of Men* is based on the foundation of serving. Through volunteering on clearly defined ministry projects and participating in varied outreach events men will be able to have their needs met, by first giving out to others from what God has given to them. By serving with a spirit of excellence and integrity, and fellowshiping with other men, we believe men will be empowered to build, establish and experience God's Kingdom in their individual lives.
