VICTORY KID'S CHURCH

ALF'S HEART

God is moving, are you with Him?! This has been an exciting year so far and it is only going to get better! The main thing that God has placed on my heart right now is to make Kid's Church fun and exciting for the kids and teachers while learning God's word and helping the kids and teachers apply it to their lives. I am very excited to be starting "The Gathering" with the children and teachers to give them one Sunday a quarter to cut loose in the presence of God while learning about Him. "The Gathering" is a time when all of the children and teachers come together for one big kid's church. It is derived from Matthew 18:18 and will take place whenever there is a **5th Sunday in the month**. The first "Gathering" was a great success!

We have an awesome VBS coming up this July with S.C.U.B.A. to learn how to go deep with God. Here are two more things that God has placed on my heart: (1) to start a **Children's Worship Team**—for the kids to minister to the kids. This is being led by Aileen Jennings and Jerlene Lewis, and (2) A **Prayer Command Center** for the teachers—to help with unity among and have fellowship with the other teachers. This will include all teachers from Children's Church, Royal Rangers and Missionettes, soon to include parents of the Victory Kids! 'Til next time be blessed, ALF

As you know we were running a contest for the name of our paper, AND THE WINNER IS: "VICTORY KIDS", which was submitted by Jonathon Smith. Congratulations Jonathon! Everyone thank you for your suggestions. Please keep submitting your ideas for OUR paper.

sleepover haven. We had more
than 120 girls and their
mothers show up for this fun,
action packed night. We had a
Dance / Karaoke complete

time of Christ-centered
fellowship for us all.

YVONNE'S HEART

This has been an exciting year for me
moving from the teaching into the
direction of the Missionettes program.
At times I miss being in the class with
the girls, but I am so enjoying where
God has put me. My heart is to see
these girls and boys in the Missionettes and Royal Rangers pro-
grams grow so much on an individual basis in their relationship
with God that they just overflow into their households, their
churches, their schools and their communities. I truly feel that
this is a Holy Ghost inspired club that can take what they learn in
their homes and their Sunday School classes to a whole new level
in their own walk with the Lord.
