

Very Special Thanks

In addition to celebrating our future together, we are delighted today to recognize the special people who have had a tremendous impact on our lives.

We'd like to give special honor to our parents, Harry and Mary Anne Jakubowski of Viera, FL and Dr. Paul and the late Maxine Rupff of Long Island, NY.

Your unending love, support, nurturing, prayers, encouragement and provision to develop the gifts within us for God's glory has—beyond words can say—meant the world to us. It is not possible to thank you enough for everything you've given and done for us. If God blesses us to be parents one day we hope to carry forth the legacy of love and wisdom we have received from you.

We'd also like to honor our pastors, Dr. Gary and Pastor Faye Whetstone of Victory Christian Fellowship in New Castle, DE and Pastor Chet and Lorena Barofski of Grace Community Church in Hope, NJ.

The encouraging words, the hours of prayer, your commitment and dedication to the Body and believing to see Christ revealed in us and God's purposes brought forth in our lives... You've impacted us in hundreds of ways! Your Godly example, loving-kindnesses, generosity, believing in us, and just being who you are has changed us forever.

We love you and are so grateful for our relationships with you.

To all our family members and friends who have come from near and far — Thank you! This day would not be the same without you!
